

## THE CE COMPANY

The CE Company <https://www.thececompany.com/> is an APA approved sponsor of continuing education (CE) for Psychologists, Social Workers, Professional Counselors, Marriage and Family Therapists. Psychoanalysts can also receive CEs through APA approved programs.

Applications are through their website. Bethany Maxwell can be contacted through the email on their site to answer questions or request a conversation. ***In your application and covering letter please note that you are an Affiliate of the A.K. Rice Institute.***

The turnaround time for application review is 3-5 days. A \$200 fee is charged if an application is approved for co-sponsorship. Approval lasts for one year and the event can be offered multiple times in the year without subsequent approval. The charge per CE certificate is \$10. The applying organization is billed for CEs after they are issued. The program instructor can log in to their platform and approve the certificates which will be emailed to the participants.

Currently they do not have approval to offer CEs in New York State. They are in the process of applying to be able to do this.

The CE Company has compiled a list of all the mental health licenses and states for each that are reciprocal with APA for CEs.

They list approved offerings on their website, Linked In, and send an email to their subscribers about new programs.
